18.10.2018

Dear Sir,

This is with regard to the captioned Public Notice issued by your Office i.e. Petroleum and Natural Gas Regulatory Board (PNGRB) inviting comments on the Consultation Paper.

The PNGRB has solicited views and comments on determination of Natural Gas Pipeline Tariff.

GACL is receiving High Pressure gas from Long Term Contract with GAIL under DVPL at Dahej complex and DVPL & South Gujarat network at Vadodara complex. The present tariff for the above mentioned contracts under Zone-I is 19.83 INR/MMBTU for HVJ (DVPL) pipeline. As proposed by GAIL in the public consultation document (PCD), GAIL has proposed to increase the tariff substantially for HVJ and HVJ Up gradation to 175.20 INR/MMBTU & 88.09 INR/MMBTU respectively and integrated tariff would be 97.04 INR/MMBTU.

On implementation of the new proposed tariff, the burden of incremental tariff shall be to the tune of Rs. 33.04 Cr. per annum (minimum)(Annexure-A).

It is hereby submitted that the proposed tariff by GAIL is exorbitantly high and shall impact the companies. Therefore, the proposal is not acceptable to GACL.

Thanking You,

Yours faithfully,
For Gujarat Alkalies and Chemicals Limited
