a)	Natural Gas pipeline proposed	<p>1) IMC Limited has done FEED for Kakinada-Vijayawada - Nellore Natural Gas Pipeline (KVNPL). IMC understands that Kakinada - Srikakulam Natural Gas Pipeline (KSPL) will start from Neemam Village which is south west of Kakinada. IMC has conducted FEED to provide connectivity to subject Pipeline at Neemam village so that Natural Gas from Mallavaram and possibly also from Odalarevu can be made available to the subject pipeline. This will ensure connectivity of KVNPL to the National Grid on Northern side at Neemam village.</p> <p>2) We understand that APGDC has already constructed a part of the pipeline. We would like to understand if the already constructed pipeline can be utilized by the yet to be authorized entity. If possible the following information may be provided: Materials including pipes procured, pipeline welded, lowered, tested, commissioned along with its chainages. Any other information like statutory clearances, land acquisition, Cathodic Protection and SCADA provided may also be provided.</p>
b)	Other aspects of the proposal	
c)	Any other issue
