Sub: Public Notice of PNGRB dated 07.02.2022 on Public Consultation of Hassan - Chitradurga and Devangonti - Chitradurga pipelines

Dear Madam,

This has reference to the Public Notice dated 07.02.2022 wherein PNGRB has re-initiated the Public Consultation process for the Hassan Chitradurga pipeline proposed by Petronet MHB Ltd (PMHBL). MRPL had responded to the original public notice on the EOI from PMHBL (Ref: Infra/PPL/52/PMHBL/HCPL /01/2018) and had provided our views both in writing as well as during the Open house Discussions held subsequently.

As significant time has elapsed from the then response made by MRPL to the said EOI by PMHBL, we submit that present responses will need to be made after due study of the changed business conditions. Considering that the project is critical from MRPL's perspective given that this pipeline is the lifeline for evacuation of products from MRPL to the interiors of Karnataka and hence would require thorough analysis and due diligence while framing our response, it is requested that additional time of at least one month is granted on the notice for providing responses and date for submission extended to 2nd week of April 2022.

Looking forward for a favorable response on this request.

Yours Sincerely,

For Mangalore Refinery & Petrochemicals Ltd,

Dr. Deepak Prabhakar
Group General Manager (Corporate Strategy)
