Babar Road, New Delhi-110001

Subject: Single transportation charge for HVJ and DBNPL/CJHPL

Respected Madam,

We would like to introduce ourselves as a Nestlé India Limited, a FMCG company having registered office at 100 / 101, World Trade Centre, Barakhamba Lane, New Delhi – 110 001.

We are consuming RLNG being supplied through the DBNPL pipeline. However, being located at a significant distance from Dahej, we pay multiple pipeline tariffs, and are at a disadvantage compared to other users especially in the western region who pay lower pipeline tariffs. As the competition is very high, we are facing problems in the market.

We have examined the PNGRB Public Consultation Document dated 2nd August 2019 and welcome the PNGRB initiative for combining the transportation charge of the HVJ pipeline system with the DBNPL tariff as this would have a positive impact on our delivered cost.

Therefore, it is our humble request that any step taken by PNGRB Board which will reduce the transportation charge will be helpful to our industry and benefit our business.

Thanking You,

For Nestle India Limited
