New Delhi - 110001**Subject:** GITL's views on proposed MAPL project.**Respected Madam,**

This is with reference to PNGRB's public notice dated 06.11.2018 soliciting views from stakeholders on its suo-moto proposal to develop Mumbai-Angul Natural Gas Pipeline (MAPL). Please find below GITL's view on the subject matter:

- In the proposed route of MAPL there is an overlap of Wardha and Nagpur areas between MAPL and MBBVPL.
- We would like to bring to your notice that the above regions were considered as demand centres while bidding for MBBVPL project and any other pipeline connecting those regions will seriously undermine the financial viability of MBBVPL.
- In order to safeguard the interest of GITL we request PNGRB to not allow MAPL to provide any connectivity in the overlap region (Wardha and Nagpur) with MBBVPL.

The views have also been attached in the prescribed format.

With best regards,

Yours Sincerely,

(N. Bose Babu)
