Officer on Special Duty (R)
PETROLEUM AND NATURAL GAS REGULATORY BOARD
NOTIFICATION

New Delhi, the ............2013

In exercise of the powers conferred by section 61 of the Petroleum and Natural Gas Regulatory Board Act, 2006 (19 of 2006), the Petroleum and Natural Gas Regulatory Board hereby makes the following regulations, namely:-

1. **Short title and commencement.**

1) These regulations may be called the Petroleum and Natural Gas Regulatory Board (Registration for Establishing and Operating Liquefied Natural Gas (LNG) Terminals) Regulations, 2013.

2) They shall come into force on the date of their publication in the Official Gazette.

2. **Definitions.**

(1) In these regulations, unless the context otherwise requires:

a) “Act” means the Petroleum and Natural Gas Regulatory Board Act, 2006;

b) “Board” means the Petroleum and Natural Gas Regulatory Board established under sub-section (1) of the Section 3 of the Act;

c) “Liquefied natural gas terminal (LNG terminal)” means an infrastructure required to:

(i) receive liquefied natural gas;

(ii) store liquefied natural gas,

(iii) enable regassification of LNG; and

(iv) transport regassified Liquefied natural gas to the outside boundaries of the facility;

and such an infrastructure on-land LNG terminal, Floating Storage...
Regassification units (FSRU), LNG-FPSO (LNG-Floating, Production Storage and offloading), etc.

(2) “Uncommitted capacity” means that capacity of the LNG facility which is net of the entity’s own and the contractual requirements.

(3) All other words or expressions used in these regulations and not defined, but defined in the Act or in other regulations made there under, shall have the meanings, respectively assigned to them in the Act or in other regulations notified under the provisions of the Act.

3. Application for Registration.

(1) An entity desirous of establishing or operating a LNG terminal after the date of establishment of the Board and fulfilling the following conditions prescribed by the Central Government vide notification number G.S.R. 805(E) dated 30th October 2012 shall make an application for registration to the Board as per Schedule-F.

(a) Offer at all times, after registration, 20 per cent of its short term (less than 5 year contract) uncommitted regasification capacity or 0.5 Million Metric Tonnes Per Annum (MMTPA), whichever is higher, as common carrier capacity.

(b) Adhere to the technical standards and specifications including safety standards, in activities relating to petroleum, petroleum products and natural gas, as prescribed by the Board by regulations, which are in force, including those prescribed by the Oil Industry Safety Directorate;

(c) Furnish a bank guarantee to the Board for an amount equal to 1 per cent of the estimated project cost of the LNG terminal or Rs.25 crore, whichever is less.

Provided that an entity desirous of establishing or operating more than one LNG Terminal shall make separate applications for each of such LNG terminals.
4. **Application fee.**

An application for registration under regulation 3 shall be accompanied by the fee as specified in the Petroleum and Natural Gas Regulatory Board (Levy of Fee and Other Charges) Regulations, 2007. Such fee shall be non-refundable.

5. **Certificate of Registration.**

(1) The Board shall issue a certificate of registration valid for 25 years as per the format at Schedule-II to an entity making an application for registration along with the bank guarantee and application fee as per regulations 3 and 4 respectively.

(2) At the end of the validity period of certificate of registration, the Board may consider extension of it for a block of 10 years at a time on such terms and conditions, as it may deem fit at that time. For this purpose, the entity shall be required to make a fresh application to the Board as per Schedule-I six months prior to the expiry of the certificate of registration certificate.

Provided the Board may condone the delay in making fresh application by an entity for extension of the registration certificate.

6. **Change of Ownership.**

(1) In case of change in the ownership, management control or any other such change in respect of the LNG Terminal after the issue of the certificate of registration, the same shall be informed to the Board along with copies of the supporting documents within 60 days of such a change with a request for amending the certificate of registration, if required.

(2) Upon receipt of such an information and request, the Board may amend the certificate of registration in the name of the new owner.

7. **Submission of information.**

The entity shall submit information to the Board as on 1st April and 1st October of every year in the format at Schedule-III.
8. **Suspension or Termination of Certificate of Registration.**

(1) In case any entity defaults in fulfilment of any of the eligibility conditions mentioned in regulation 3, the Board may at the first instance suspend the certificate of registration for a period of one month and the entity shall rectify the default within such period.

(2) The Board may allow extension of time for rectifying the default if it is satisfied with the progress made by the entity during the one month period and feels such an extension is necessary for the entity to rectify the default. The suspension of certificate of registration shall also be extended for such a period of extension allowed to the entity.

(3) If the entity fails to rectify the default even after allowing the extension of time, the Board may issue show cause notice for termination of the certificate of registration allowing the entity to submit its response within one month time. If the Board is not satisfied with the response of the entity, it may terminate the certificate of registration after giving an opportunity of being heard to such an entity.

(4) In case of termination of the certificate of registration issued to an entity, the bank guarantee furnished by such an entity shall be forfeited.
