    GAIL, New Delhi.

Subject:-   **Domestic Natural Gas through available mode (including cascade mode) for
             CNG (Transport) and PNG (Domestic) purpose**

Sir,

    I am directed to refer to GAIL's letter No. GAIL/CO/Gas
Mktg/MOPNG/CGD/2016/Dom Gas-RSGL dated 13ᵗʰ October, 2016 and the requests received
from various entities which are either having PNGRB's authorization for developing CGD
network in a specified Geographical Area (GA) or having PNGRB's 'No Objection
Certificates' for establishing standalone CNG-DBS Stations in GAs which are yet to be
authorized for CGD network. These entities are seeking domestic gas for CNG(Transport)
purpose through alternate mode (including cascade) in the absence of connecting gas pipelines
at present to such areas. The matter has been examined in the Ministry and with the approval of
Competent Authority, the following has been decided-

   i.   GAIL is allowed to supply and deliver domestic gas through available mode
        (including cascade mode) for CNG (Transport) and PNG (Domestic) purpose under
        this Ministry's guideline letter no. L-12011/1/2016 GP I dated 8th June 2016 to the
        entities having PNGRB authorization of CGD network in new GAs.

  ii.   GAIL is instructed to supply and deliver domestic gas through available mode
        (including cascade mode) for CNG (Transport) purpose to the standalone CNG-DBS
        station which are being established with the NOC permissions issued by PNGRB in
        GAs which are yet to be authorized for CGD network, till such GA are authorized for
        CGD network.

 iii.   However, the gas supplied to such standalone CNG stations would be out of the
        quantity of the additional 10% allowed under MoPNG guidelines dated 20th August
        2014 and 08th June 2016.

                                                            Yours faithfully,

                                                            (S. P. Agarwal)
                                                            Under Secretary (GP)
                                                            Tel. No. 23388652
