EXCELLENCE AWARDS 2026

PNGRB
EXCELLENCE AWARD 2026
GENESIS

India's gas infrastructure is expanding at an unprecedented pace, with growing participation of entities in the City Gas Distribution (CGD), Natural Gas Pipeline (NGPL) and Petroleum & Petroleum Products (PPPL) sectors.

This dynamic growth underscores the need to embed a culture of operational excellence, innovation, safety, environmental sustainability, and customer-focused service delivery across India’s Petroleum & Natural Gas Sector.

Through robust technical standards, transparent market practices, and forward-looking sustainability initiatives, PNGRB is of the strong opinion that recognizing and honouring exceptional performance will not only motivate entities to excel but will also catalyse the adoption of best-in-class practices, stimulate continuous improvement, and foster healthy competition among peers.

In line with the above, PNGRB had instituted the "PNGRB Awards for Excellence in CGD and NGPL" in 2025 which this year (2026) have been extended to the PPPL Sector also.

The awards are a tribute to those pioneers and performers who have played a pivotal role in building India's CGD ecosystem and advancing the nation's clean energy transition.

FOREWORD

The journey of Gas Distribution in India has been transformative. From its nascent stages to the extensive network, we see today, the sector has come a long way in bringing clean, affordable, and reliable energy to millions of citizens.

The PNGRB Excellence Awards represent PNGRB's commitment to recognizing outstanding contributions that have shaped this industry. These awards celebrate the spirit of innovation, dedication to safety, commitment to customer satisfaction, and leadership in sustainability that our award winners have demonstrated.

The 20th Foundation Day of PNGRB, celebrated on 01st October 2026, marked a historic milestone with the second edition of these Awards. A distinguished jury comprising eminent industry Members evaluated entries across multiple categories, ensuring that recognition was accorded to truly deserving entities.

This citation booklet commemorates the achievements of our award winners in the CGD, NGPL & PPPL categories. Each awardee has set benchmarks in their respective domains and serves as an inspiration for the entire industry.

PNGRB congratulate all the winners and expresses its gratitude for their contribution to India's energy.

MESSAGE

Dr. Anil Kumar Jain

Chairperson, PNGRB

The PNGRB Excellence Awards celebrate the dedication and achievements of Entities strengthening India's Petroleum and Natural Gas Sector.

Through these awards, PNGRB recognises the hard work behind expanding infrastructure, connecting households and improving energy access, often amid demanding climatic, local and geopolitical conditions.

These awards encourage better performance, inspire shared learning and give the Industry efforts the recognition they deserve. The inclusion of Petroleum Products Pipelines this year broadens this recognition across the Sector.

I congratulate all awardees and participants whose commitment continues to advance a stronger, more reliable and inclusive energy ecosystem for India.

MESSAGE

Shri Jayanta Narayan Das

Member (Technical), PNGRB

The expansion and reliable operation of CGD, NGPL and PPPL Networks infrastructure is fundamental to India's energy transition goals.

The award winners recognized in this citation have demonstrated exemplary capabilities in building and operating CGD, NGPL & PPPL networks across diverse geographies and challenging conditions. Their achievements in network expansion, operational reliability, technical excellence, and safety standards have set new benchmarks for the industry. These organizations have shown that commercial success and social responsibility can go hand in hand.

I extend my heartiest congratulations to all participants and winners and wish them continued success in their endeavours.

MESSAGE

Shri Anjan Kumar Mishra

Secretary, PNGRB

Congratulations!!

Dear Award Recipients,

On behalf of the Petroleum and Natural Gas Regulatory Board, I extend my heartfelt congratulations to you all.

Your achievements reflect excellence in safety, innovation, and customer service across India's Petroleum and Natural Gas Sector. Your dedication has strengthened your organisations, advanced India's clean energy mission, and set benchmarks that inspire the industry.

This recognition honours your accomplishments and your potential to further India's energy security and sustainability goals. PNGRB looks forward to your continued leadership, guided by vision, integrity, and excellence in the Petroleum and Natural Gas Sector.
