

Schedule B

[see regulations 4 (1) and 5 (6)]

Application form for submitting expression of interest by an entity desirous of laying, building, operating or expanding a CGD network

- A. Only an entity which complies with the minimum eligibility criteria as per regulation 5 (6) of the Petroleum and Natural Gas Regulatory Board (Authorizing Entities to Lay, Build, Operate or Expand City or Local Natural Gas Distribution Networks) Regulations, 2008 is eligible to submit its application for submission of expression of interest to the Board.
- B. Entities must enclose documentary proof in support of its meeting the minimum eligibility criteria.

Documentary proof in support of meeting the minimum eligibility criteria is enclosed as under;

Annexure I : List of Hydrocarbon pipelines being operated by Reliance Group as per Clause No. 5(6)(b)(ii) of the regulation.

Annexure II: Brief Resume of key team members as per Clause No. 5(6)(c)(iv) of the regulation.

Annexure III: Auditor's Certificate on RIL's net worth as on 31st March 2008 as per Clause No. 5(6)(e) of the regulation.

- C. The entity submitting the expression of interest must submit the following information:

1	General Details
A	Name of the Entity Reliance Gas Corporation Limited, a wholly owned subsidiary of Reliance Industries Limited.
B	Type of firm - Public Limited Company / Private Limited Company / Partnership firm / Proprietorship firm / Others (please specify) Public Limited Company
C	Date of incorporation and date of commencement of business

	Date of incorporation of business: May 22 nd , 2007 Date of commencement of business: May 22 nd , 2007
D	Address of Registered office 3 rd Floor, Maker Chambers IV, 222, Nariman Point Mumbai 400 021, India Tel.: +91 22 2278 5000 Fax: +91 22 2278 5111
2	Basic Data
A	1. Population and number of households under the proposed CGD network. The population of the geographical area stood at 3.5 million as per population census, 2001 with an estimated 0.9 million households. 2. Geographical area in square kilometers and segregated in different categories in terms of the provisions under regulation 2 (c) of the Petroleum and Natural Gas Regulatory Board (Authorizing Entities to Lay, Build, Operate or Expand City or Local Natural Gas Distribution Networks) Regulations, 2008. The area should also be depicted in a physical map. The proposed net work shall include areas within Ahmedabad Urban Agglomeration (includes areas within Ahmedabad Municipal Corporation and Ahmedabad Urban Development Authority) where there is major industrial activity. Proposed Geographical area is of approximately 1298 sq. km. Map highlighting the proposed Geographical Area is enclosed. 3. Economic activity in the proposed geographical area in terms of industrial and commercial activity (number of units and fuel mix) Ahmedabad is the largest city of Gujarat and seventh largest urban agglomeration of India. In the recent years, the effects of globalization and liberalization of the Indian economy has energized the city's economy. The city has witnessed the establishment of scientific and service industries, the expansion of Information Technology sector, and significant improvement in transportation and communication. Ahmedabad has a thriving chemicals and

	<p>pharmaceuticals industry. Some of the biggest pharmaceutical industries of the country are based at Ahmedabad. In recent years many multinational companies have set up their sales offices and production facilities in Ahmedabad. A number of industrial estates have developed on the outskirts of the city where a number of small and medium scale industries are setup. The various types of fuel used in the industry are FO, LDO, LPG, wood, coal etc.</p> <p>After opening of the economy and due to liberalization, the city has been transformed through the construction of skyscrapers, shopping malls and multiplexes. Due to the migration of the diverse labour force from different parts of Gujarat and neighbouring states and emergence of a strong middle class population, has led to rapid commercialization of the city. As a result a number of Hotels, Hospitals, hostels, bakeries, lodges, sweet shops, super markets, and cinema theatres have come up in the city. Most of these establishments use LPG for cooking. Total population of commercial establishments is expected to be more then 4000 units.</p> <p>4. Vehicular population profile</p> <p>The estimated vehicle population profile of Ahmedabad City is as under;</p> <table><tr><td>Bus:</td><td>7150</td></tr><tr><td>Three Wheelers:</td><td>85000</td></tr><tr><td>Four Wheelers:</td><td>215000</td></tr></table>	Bus:	7150	Three Wheelers:	85000	Four Wheelers:	215000		
Bus:	7150								
Three Wheelers:	85000								
Four Wheelers:	215000								
B	<p>Preliminary Assessment of the potential demand for natural gas in the proposed CGD network amongst various customer segments.</p> <p>Estimated demand in CGD network is 1.09 MMSCMD which is projected to be 1.95 MMSCMD by year 2020. The segment wise estimated demand is as under;</p> <table><tr><td>Domestic:</td><td>0.26 MMSCMD</td></tr><tr><td>Commercial:</td><td>0.08 MMSCMD</td></tr><tr><td>CNG:</td><td>0.22 MMSCMD</td></tr><tr><td>Industrial:</td><td>0.53 MMSCMD</td></tr></table>	Domestic:	0.26 MMSCMD	Commercial:	0.08 MMSCMD	CNG:	0.22 MMSCMD	Industrial:	0.53 MMSCMD
Domestic:	0.26 MMSCMD								
Commercial:	0.08 MMSCMD								
CNG:	0.22 MMSCMD								
Industrial:	0.53 MMSCMD								
C	<p>Likely source of supply of natural gas and plans for access to the natural gas pipeline.</p>								

Gas Supply Sources:

RGCL shall secure Natural Gas from its parent company, Reliance Industries Limited which has 35 exploration blocks awarded by Government of India under NELP and pre-NELP licensing round. RIL's efforts in exploring various upstream opportunities on the Eastern Coast as well as on other parts of India resulted in discovery of large gas potential.

RIL discovered gas in deepwater block KG D/6 offshore of Andhra Coast, which was reported to be largest global discovery of gas made in 2002. The development plan for 80 MMSCMD of gas with upside potential has already been approved and production is scheduled to commence from second half of financial year 2008-09.

In addition to above Reliance industries has recently met with success in Cauvery basin in Eastern Coast of India. This is the first time hydrocarbon discovery has been made in Cauvery deepwater basin. This will create additional source for supply of gas.

Company has also been awarded the rights for exploration & production of Coal Bed Methane (CBM). Thus, RIL has multiple sources available for the supply of gas to the said CGD project.

RGCL shall tie up for supply / transmission of gas with sources with in the stipulated time as prescribed in regulations notified by PNGRB.

Access to Transmission Pipelines:

Reliance Gas Transportation and Infrastructure Ltd. a Reliance Group company is laying 48" 1400 Kms. East – West Pipeline which will connect Kakinada the landfall point of KG gas to Bharuch in Gujarat via Karnataka and Maharashtra. This pipeline shall act as backbone for supply of natural gas to various consumers along the route including the City Gas Distribution Projects. RIL has also tied up gas transmission arrangements with other gas transporters such as GSPL for transportation of the gas. RIL proposes to feed the City Gas network for Ahmedabad from a combination of its EWPL pipeline and GSPL pipeline. Thus with established sources of gas and tie up with transmission system to transport gas from source to City Gate Station, RGCL shall be in position to meet the gas requirements for the distribution of natural gas within Ahmedabad Geographical Area.

D	<p>Whether the States or the Union Territories, in whose jurisdiction the proposed CGD network is located, has enacted any legislation or taken any administrative action to promote the use of natural gas in the said city? If the reply to the question is yes, then, provide copy of the said enactment or administrative order</p> <p>Government of Gujarat had earlier enacted Gujarat Gas Act and passed Gas Distribution Policy (Annexure IV) for the development of Gas Sector in the state and subsequently issued Interim Policy on Gas Distribution to promote the development of CGD Networks in the state. However Supreme Court of India has ruled that the said act is ultra vires the constitution and hence is void.</p>
3	<p>Application fee of Rs. 12,00,000/- paid vide demand draft/ pay order number <u>475696</u> and dated May 30th, 2008 drawn on ICICI Bank Limited, Backbay Reclamation, Mumbai.</p>
