PUBLIC NOTICE

With respect to the bid invited by Petroleum and Natural Gas Regulatory Board for the development of Langtala - Bhilwara Natural Gas Pipeline (Bid No.: BID/NGPL/13/2018/01/LBPL), PNGRB has decided to cancel the entire bid process as the tariff quoted by GAIL (India) Limited (as a sole bidder) was found to be excessively high, impacting the viability of the gas itself. PNGRB will decide the pipeline infrastructure separately by exploring other options.
