6.0 BIDDERS' MINIMUM ELIGIBILITY CRITERIA

Any entity which has been barred by the Central/ State Government, Public Sector/PNGRB or any other statutory agency, from participating in any project and the bar subsists as on the date of Application, would not be eligible to submit an Application cum Bid either individually or as member of a Consortium.

The PNGRB shall scrutinize the Application-cum-Bids received in respect of only those bidders which fulfill the minimum eligibility criteria as specified in clauses (a) to (j) of sub-regulation 6 to regulation 5 of the Petroleum and Natural Gas Regulatory Board (Authorizing Entities to Lay, Build, Operate or Expand Petroleum and Petroleum Products Pipelines) Regulations, 2010.

The combined net worth of the entity along with its promoters to be considered for qualification for any bid shall be as assessed in line with the clause (d) of sub-regulation 6 of regulation 5 of the Petroleum and Natural Gas Regulatory Board (Authorizing Entities to Lay, Build, Operate or Expand Petroleum and Petroleum Products Pipelines) Regulations, 2010.

The certified copy of the combined net worth of the bidder should not be older than the last Financial Year from the date of submission of the bid. This statement shall be signed by the concerned Director of the company and certified by a Chartered Accountant. Combined net worth shall be in line with Regulation 5(6)(d) of the Petroleum and Natural Gas Regulatory Board (Authorizing Entities to Lay, Build, Operate or Expand Petroleum and Petroleum Products Pipelines) Regulations, 2010.

Qualification of at least 2 out of minimum required 3 technically qualified personnel shall be degree in Engineering from any recognized Institution / University. The entity shall be required to submit copies of the qualifications as well as work experience certificates for 3 technically qualified personnel. A certification from the CEO/full time Director/signatory authorized by the Board of Directors of the entity certifying the adequacy of their experience as required under sub regulation 5(6)(b)(iv) and 5(6)(c)(iv) shall be submitted. The firm's Chartered Accountant shall certify that these personnel are on their permanent rolls. Also the bidder shall make an undertaking that the same shall maintain minimum three technically qualified personnel during the operating phase of the project out of which two shall have a degree in engineering.

In case of bidding by a consortium, MOU/ JV agreement entered into by the parties of the consortium clearly stating the Lead Partner as well as authorized signatory to the Application cum Bid shall be furnished. Documents/details as required in the bid must be furnished by each partner member of the consortium/joint venture complete in all respects along with the bid offer. Each of the qualifying criteria must be singularly met by any of the JV partner except for the net worth, which could be met jointly by the partners and/or parent company in case of the subsidiary/existing JV. Only supporting document of concerned entity on the basis of which qualification is sought needs to be submitted. Liability to comply with the obligations and terms and conditions of the bid and authorization for the successful bidder shall be assumed to be that of the lead partner unless specifically approved by the Board otherwise. The bank guarantee for bid bond can be submitted by any of the partner submitting the BG holding itself jointly and severally liable for any default of the Consortium which may lead to encashment of the Bank Guarantee.

In case of bidding by a wholly owned subsidiary, each qualifying criteria has to be met by the entity or the parent company and documents/details furnished accordingly. In this case the bank guarantee for bid bond is to be furnished by the subsidiary.

Documentary evidence for compliance to each of the eligibility criteria must be enclosed along with the bid together with the references as required in the **Annexure-2**. Relevant portions, in the documents submitted in pursuance of eligibility criterion mentioned above, shall be highlighted.

If the bid is not accompanied by all the above-mentioned documents, the same would be rejected. In case the bidder submitting the bid does not fulfill the requirements of any criteria as indicated above, the bid submitted is liable to be rejected and a communication in this regard shall be sent and the financial bid shall not be opened for that bidder.

Undertaking for subsequent submission of any document will not be entertained under any circumstances. However, PNGRB reserves the right to seek fresh set of documents or seek clarifications on the already submitted documents.

7.0 Period of Validity of Bids

7.1 Bids shall remain valid for 120 days from the date of bid opening prescribed by the PNGRB. A bid valid for a shorter period is liable to be rejected by the PNGRB.

8.0 Terms and Conditions of Bidder

8.1 No additional terms and conditions of the Bidders will be considered as forming part of their bids. The bidders shall confirm the same as per **Annexure -4**.

8.2 The bidder shall meet all criteria specified in the relevant regulations for authorization of the work.

9.0 Application fee and BID BOND

9.1 Bidder shall furnish non-refundable application fee by Demand Draft or Pay Order or electronically transfer of value as mentioned in 'INVITATION FOR APPLICATION-CUM-BID', in favour of "Petroleum and Natural Gas Regulatory Board" payable at New Delhi only, issued by any Nationalized / Scheduled Indian banks (except Cooperative & Gramin Bank) or any branch of Foreign Bank in India. However, in case the bidder has already paid the application fee at the time of submission of Expression of Interest (EOI), the bidder shall not be required to pay the application fee, unless there is a requirement to pay additional application fee as required under relevant regulation.

9.2 The Application-cum-Bid without application fee shall be summarily rejected.

9.3 Bidder shall furnish a bid bond by Demand Draft or Pay Order or Bank Guarantee payable at New Delhi (as per **Annexure 11**) of value as mentioned in 'INVITATION FOR APPLICATION-CUM-BID', in favor of "Petroleum and Natural Gas Regulatory Board" payable at New Delhi issued by any Nationalized / Scheduled Indian banks (except Cooperative & Gramin Bank) or any branch of Foreign Bank in India. The Application-cum-Bid without bid bond shall be summarily rejected. Bid bond must indicate the Application cum Bid Document number for which the bidder is quoting. This is essential to have proper co-relation at a later date.

9.4 The Bid Bond, without any interest accrued will be refunded:

- a) In the case of those bidders who fail to qualify the eligibility criteria, and whose technical bids do not qualify, the Bid Bond will be refunded without any interest accrued within two months (60 days) of the acceptance and authorization of Application cum Bid by PNGRB.
- b) In the case of those Bidders who do not qualify due to any other reason, the Bid Bond will be refunded without any interest accrued within two month (60 days) of the acceptance and authorization of Application cum Bid by PNGRB.
- c) In case of successful bidder accepting the authorization and furnishing the Performance Bank Guarantee.

9.5 The Bid bond shall be forfeited:

- a) If a bidder withdraws his bid during the period of bid validity.
- b) in the case of a successful bidder, if the bidder fails:
 - I. to accept the letter of intent (LOI)/letter of authorization or
 - II. to furnish Performance Guarantee or
 - III. to accept correction of errors or
 - IV. If a bidder submits forged documents

9.6 PNGRB shall not be liable to pay any bank charges, commission or interest etc., on the amount of bid bond.

9.7 Any bid not secured in accordance with above, will be considered as non-responsive and will be liable for rejection.

10.0 Period of Validity of Bid Bond

10.1 The Bid Bond shall remain valid at least for a period of 120 days from the date of technical bid opening prescribed by the PNGRB. A bid bond valid for a shorter period is liable to be rejected by the PNGRB.

11.0 Authorization of Work

11.1 Prior to the expiry of the period of bid validity, PNGRB will normally issue LOI to the successful bidder within bid validity period i.e. 120 days from opening of bid. Subsequent to acceptance of LOI and submission of PBG by the selected entity, grant of authorization shall be issued in Schedule-D format.

12.0 Performance Bank Guarantee

12.1 On receipt of the letter of Intent from PNGRB, the successful bidder within fourteen days from the date of such letter, shall furnish the Performance Bank Guarantee, valid initially for a period of three years extendable to the economic life of the project in a block of minimum three years, equivalent to the performance bond as specified in regulation 8 of the Petroleum and Natural Gas Regulatory Board (Authorizing Entities

to Lay, Build, Operate or Expand Petroleum and Petroleum Products Pipelines) Regulations, 2010. It will be the duty of the authorized entity to ensure that the performance bank guarantee is renewed at least one month before the due date every time PBG reaches the validity date till the economic life of the project is achieved.

12.2 Failure of the successful Bidder to comply with the requirement shall constitute sufficient grounds for the annulment of the authorization, in which case PNGRB may award the contract to the next evaluated bidder or call for new bids.

12.3 The selected entity shall submit performance bond to guarantee the timely commissioning of the proposed Petroleum and Petroleum Product (LPG) Pipeline project as per the prescribed targets and meeting the service obligations during the operation phase of the project.

12.4 Performance Bond shall be submitted by way of Bank Guarantee issued or counter guaranteed by any of the Nationalized / Scheduled Indian banks (except Cooperative & Gramin Bank) or any branch of Foreign Bank in India as per the Proforma of Performance Bank Guarantee prescribed at **Annexure 7**.

13.0 Financial Bid Numbers [Bidding Parameters as per Regulation 7(1)(a) to 7(1)(c) of the Petroleum and Natural Gas Regulatory Board (Authorizing Entities to Lay, Build, Operate or Expand Petroleum and Petroleum Products Pipelines) Regulations, 2010]

13.1 **Tariff numbers** [as per Regulation 7(1)(a) to 7(1)(b)] and **Capacity number** [as per Regulation 7(1)(c)] quoted by the bidder shall be firm and fixed in line with the provisions of relevant regulations. A bid submitted with an adjustable quoted number for tariff and capacity parameters will be treated as non-responsive and shall be summarily rejected.

13.2 **The fixed unit tariff bid** [as per Regulation 7(1)(a)] shall be quoted in Rs/MT and the **variable unit tariff bid** [as per Regulation 7(1)(b)] shall be quoted in Rs/MT/KM up to 2 (two) decimal places only. In case any quoted figure is more than two decimal places the same shall not be considered beyond second decimal point.

13.3 **The capacity bid** [as per Regulation 7(1)(c)] shall be quoted in MMTPA up to 2 (two) decimal places only. In case any quoted figure is more than two decimal places the same shall not be considered beyond second decimal point. The capacity of the pipeline system should be such as to comply with the provisions of Regulation 5(6)(i) of Petroleum and Natural Gas Regulatory Board (Authorizing Entities to Lay, Build, Operate or Expand Petroleum and Petroleum Products Pipelines) Regulations, 2010 and the provisions of the Petroleum and Natural Gas Regulatory Board (Determining Capacity of Petroleum, Petroleum Products and Natural Gas Pipeline) Regulations, 2010.

14.0 Bid Currencies

14.1 The bidders shall submit bid in Indian Currency (Indian Rupees) and the authorized entity shall charge payment in any currency agreed between entity and end use consumers or customers. It shall preferably be in Indian currency.

15.0 Deadline for Submission of Bid

15.1 Bids must be submitted not later than the date and time specified in the 'INVITATION FOR APPLICATION-CUM-BID'.

16.0 Signature of Bidder

16.1 The bid must include the name and place of business of the person or persons making the bid and must be signed and stamped by the authorized signatory of the bidder with his usual signature/initials on each page. Power of Attorney issued in favour of authorized signatory must also be submitted. Bidder's particulars shall be submitted in **Annexure 5**.

16.2 Bid by a partnership firm or consortium must be furnished with full names of all partners and be signed with the partnership name, followed by the signature(s) and designation(s) of the authorized partner(s).

16.3 Bids by Corporation/Company must be signed in the legal name of the Corporation/Company by the President/Chairman/Managing Director or any other person or persons authorized to bid on behalf of such Corporation/Company in the matter.

16.4 A bid by a person who affixes to his signature the word 'President', 'Managing Director', 'Secretary', 'Authorized representative' or any other designation without disclosing his principal will be rejected.

16.5 Satisfactory evidence of authority of the person signing on behalf of the bidder shall be furnished with the bid.

16.6 The bidder's name stated on the proposal shall be the exact legal name of the entity.

16.7 Bids not conforming to the above requirements of signing may be disqualified.

SECTION II: SCOPE OF WORK

17.0 Scope of Work

17.1 General:

17.1.1 Petroleum & Natural Gas Regulatory Board (PNGRB) was constituted under "The Petroleum & Natural Gas Regulatory Board Act, 2006". The objective of the Board is to regulate the refining, processing, storage, transportation, distribution, marketing and sale of Petroleum, Petroleum Products and Natural Gas excluding production of crude oil and natural gas, so as to protect the interest of consumers and entities engaged in specific activities related to Petroleum, Petroleum Products and Natural Gas and to ensure uninterrupted and adequate supply of Petroleum, Petroleum Products and Natural Gas, in all parts of the country and to promote competitive markets and for matters connected therewith or incidental thereto.

17.2 Petroleum and Petroleum Products Pipeline to be authorized

- 17.2.1 The development of common carrier Petroleum and Petroleum Product (LPG) pipeline is required to ensure a reliable, safe and competitive supply of LPG from upcoming Kandla-Gorakhpur LPG pipeline (KGPL) to bottling plants of Gwalior, Etawah, Bareilly & Sitarganj to meet the regional demand. This is also vital for reducing the road & railways congestions. Accordingly, PNGRB initiated Suo-Motu proposal for development of Petroleum and Petroleum Product (LPG) pipeline from Gwalior in Madhya Pradesh to Sitarganj in Uttarakhand to cater the LPG requirement of bottling plants of OMC's.
- 17.2.2 After the completion of public consultation process, and based on discussions with the entities/stakeholders during the Open House discussions, PNGRB has decided to invite online Application-cum-Bid for authorization of Petroleum Product LPG pipeline to be developed from Gwalior to Sitarganj spanning about 580 km with minimum system capacity of 0.60 MMTPA including common carrier capacity during the entire economic life. The route map and other details of pipeline are enclosed as Annexure-1. The pipeline to have a tie in provision near Etawah, Uttar Pradesh for connectivity with GAIL Pata plant in future.
- 17.2.3 It is the sole responsibility of bidders to seek all relevant information related to Supply point at Gwalior & Delivery point at Sitarganj like termination/ hook-up points, supplying the LPG to bottling plants of OMC's and charges for use of RoU, land and utilities etc. directly from concerned authorities, required for preparation and submission of the bid.
- 17.2.4 It is the bidder's responsibility to obtain all information related to the present petroleum and petroleum product (LPG) supply position and existing and future customers, if any falling along the route of the proposed petroleum and petroleum product (LPG) pipeline.

17.3 JOB REQUIREMENT

- 17.3.1 The successful entity for this work shall be required to lay, build, operate or expand the petroleum and petroleum product (LPG) pipeline to meet requirement of petroleum and petroleum products falling along the route of the petroleum and petroleum products pipeline.
- 17.3.2 The successful entity for this work shall be required to lay, build, operate or expand petroleum and petroleum product (LPG) pipeline as mentioned above, in line with the provisions/functions specified in the PNGRB Act 2006 as well as regulations notified by the Board for such functions. The bidders are advised to carefully go through the provisions of the PNGRB Act 2006, the notified regulations and the draft regulations available in the public domain.
- 17.3.3 The successful entity for this work shall be required to carry out the development of petroleum and petroleum product (LPG) pipeline project in line with the regulations laid down by the PNGRB.

17.4 Design of Petroleum and Petroleum Products Pipeline

- 17.4.1 The design of the petroleum and petroleum product (LPG) pipeline shall be as per the applicable API, CCOE & OISD codes namely API 1104, API 6 D, API 598, API RP 1102, ASME B 31.4, ASME B 31.8, ASME B 16.5, OISD-141 etc. and associated facilities shall conform to relevant ANSI/API codes. However, the bidder shall provide an undertaking that relevant Regulation for Technical Standard and Specifications including Safety Standards for the Petroleum and Petroleum Products Pipelines shall be adhered to.
- 17.4.2 For the purpose of capacity determination, the bidder is required to follow the pipeline configuration in line with the provisions of the Petroleum and Natural Gas Regulatory Board (Determining Capacity of Petroleum, Petroleum Products and Natural Gas Pipeline) Regulations, 2010 and as given in the bid document.
- 17.4.3 The design of the proposed petroleum and petroleum product (LPG) pipeline shall be as such that it includes all connected infrastructure such as pumps, metering units, storage facilities at originating, delivery, tap off points or terminal stations, bottling plants and the like connected to the common carriers or contract carriers including line balancing tanks and tankage required for unabsorbed interface, essential for operating a pipeline system. Accordingly, the transporter must have aforesaid facilities at the originating point/dispatch terminal at Gwalior for handling the product being transported by the entities. The access to all aforesaid common carrier facilities shall be governed by PNGRB PPPL Access Code Regulations.
- 17.4.4 The bidders are allowed to deviate from the route of the pipeline including originating/termination point of the pipeline up to +/- 5% w.r.t. the indicative route mentioned in the bid document for the purpose of preparation of Feasibility Report. However, the provision of sub-regulation (3) of Regulation 13 of the Petroleum and Natural Gas Regulatory Board (Authorizing Entities to Lay, Build, Operate or Expand Petroleum and Petroleum Products Pipelines) Regulations, 2010 shall be applicable.

17.5 Financial Closure

The entity shall be required to achieve financial closure of the project based on the numbers quoted by them in the financial bid. Failure to achieve financial closure within the stipulated period may result in the termination of the grant of authorization. The entity shall furnish all the documents as required to satisfy PNGRB that the financial closure has been achieved in line with the requirements, which shall include the following:

- a) Complete Board agenda items with Annexures detailing total CAPEX, OPEX, year-wise financing plan and detailed feasibility Report (DFR).
- b) Copy of all documents submitted to Financial Institutions seeking financial assistance.
- c) To establish the actual date of achieving financial closure, all documents executed by the company in respect of financial assistance for the project to be provided by the lenders by way of loans, bonds, security arrangements etc.

SECTION III: DOCUMENTATION

18.0 Documents comprising the Bid

The 'Application-cum-Bid document' together with all its attachments thereto shall be considered to be read, understood and accepted by the bidder. Failure to furnish all the information required as per the 'Application-cum-Bid document' or submission of Application-cum-Bid not complete in every respect will be at bidder's risk and may result in the rejection of the Application-cum-Bid.

18.1 GUIDELINES FOR PREPARING FEASIBILITY REPORT (FR)

18.1.1 The Feasibility Report (FR) should not be more than six months old from bid closing date and shall detail the techno-commercial feasibility of the proposed petroleum and petroleum product (LPG) pipeline project. The FR submitted by the entity shall follow the guidelines provided herein under. The FR shall include following chapters with all relevant details but not limited to:

- a) Executive summary along with tabulated Summary sheet as per Annexure 14.
- b) FR prepared by (Name and contact details of the Consultant) / Internal (prepared within the Bidder's organization)
- c) Introduction
- d) Credible Plan for utilization of the capacity in the proposed petroleum and petroleum product (LPG) pipeline.
- e) Market Survey and realistic demand assessment.
- f) Examination of various alternatives and selection of one or more design options.
- g) Route and Map of proposed petroleum and petroleum product (LPG) pipeline.
- h) Basic design of petroleum and petroleum product (LPG) pipeline. The bidder shall compute the "capacity of the pipeline system" as per the PNGRB (Determining capacity of Petroleum, Petroleum Products and Natural Gas Pipeline) Regulations, 2010.
- i) Implementation Schedule with Bar chart.
- j) HSE & DMP (OR an undertaking to provide the same in case of being successful bidder *at the time of financial closure*)

Note#1: Above technical details shall be provided by the bidder along with the Technical bid.

Note#2: Chapters on Financial Analysis of FR with blank columns has to be provided along with the technical bid. The same chapters with actual numbers have to be submitted as per instructions at Note#3 below.

Note#3: Following chapters of FR with all relevant details shall be provided by the bidder along with the Financial Bid in the format at Annexure -14:

- a) Year-wise volume of petroleum and petroleum product (LPG) to be transported for the economic life of the project.

Note#4: Above year-wise volume of petroleum and petroleum product (LPG) quoted in Annexure-14 shall be referred by PNGRB for the purpose of compliance of Service Obligations as specified in Regulation 14(1) of the PNGRB (Authorizing Entities to Lay, Build, Operate or Expand Petroleum and Petroleum Products Pipelines) Regulations, 2010

- b) Year-wise planned CAPEX leading to capital cost of the project i.e. project outlays till commissioning.
- c) Year-wise planned maintenance CAPEX, if any and OPEX.
- d) Financial analysis and corresponding Year-wise tariff projections.
- e) The Capex considered in DFR must be reasonable and any unreasonable Capex may lead to rejection.

18.2 This 'Application-cum-Bid document' comprises 14 Nos. of Annexure. The bidder shall note the following with respect to these Annexures:

Annexure 1	Map depicting the petroleum and petroleum product (LPG) pipeline and its route	The bidder shall carefully study the petroleum and petroleum product (LPG) pipeline and its route before submitting their Application-cum-Bid.
------------	--	--

Annexure 2	Bidder's particulars with respect to minimum eligibility criteria	The bidder shall provide required information in the given format duly filled-in and signed by the bidder or authorized signatory along with official seal attaching supporting documents. This shall be submitted separately as a part of Technical Bid.
------------	---	---

SPECIAL CONDITIONS OF BID

20.0 Bid Evaluation Criteria

20.1 Technical Evaluation Process

- 20.1.1 The bidder has to submit all the annexure duly filled as per format mentioned in the Application cum Bid, failing which the bidder will be liable to be technically rejected.
- 20.1.2 Bidder's bids will be evaluated on the basis of the information supplied by the bidders. Documentary evidence is to be submitted by the bidder for all the formats wherever it is required.
- 20.1.3 If the information furnished by the bidder in any of the Annexure(s) is found to be incorrect, the bid is liable to be technically rejected.
- 20.1.4 After opening of Technical Bid, PNGRB will examine the Application-cum-Bids to determine whether these are complete and valid in all respects as required and in conformity with 'Application-cum-Bid document' and proceed for evaluation of those bids only, which have zero deviation. The evaluation shall be carried out in line with the requirements of the Petroleum and Natural Gas Regulatory Board (Authorizing Entities to Lay, Build, Operate or Expand Petroleum and Petroleum Products Pipelines) Regulations, 2010 and other relevant regulations;
- 20.1.5 A duly constituted Bid Evaluation Committee (BEC) will shortlist Technical Bidders on the basis of evaluation methodology as per relevant regulations. The BEC will take approval of competent authority for shortlisted bidders before opening of the financial bid.
- 20.1.6 PNGRB can make any enquiry / seek clarification from the bidders, which the bidders must furnish within the stipulated time else Application-cum-Bid of such defaulting bidders may likely to be rejected.

20.2 Evaluation of Financial Bids

- 20.2.1 The Financial Bids of only those Bidders short listed from the Technical Bids by BEC will be opened in the presence of their representatives on a specified date and time to be intimate
- 20.2.2 ted to the respective Bidders by concerned Section/Group in PNGRB, and the same will be evaluated by a duly constituted Bid Evaluation Committee (BEC) for the purpose.
- 20.2.3 Summary Sheet of Feasibility Report submitted as Annexure-14 shall be opened and shared with the technically qualified bidders.
- 20.2.4 Bidders shall indicate their Quotes in clear/visible figures as well as in words. In case of a mismatch, the rates written in words will prevail.
- 20.2.5 The values quoted against the Present Value of the bid shall be derived from the year wise values quoted by the bidder and applying discounting rates as mentioned to figures quoted for each year except for the first year. In case of an arithmetic error, the year wise values quoted by the entity shall be taken as correct and present value shall be amended accordingly.
- 20.2.6 All Financial bids shall be tabulated and compared as per the bidding criteria specified at regulation 7 of the Petroleum and Natural Gas Regulatory Board (Authorizing Entities to Lay, Build, Operate or Expand Petroleum and Petroleum Products Pipelines) Regulations, 2010.
- 20.2.7 No enquiry shall be made by the bidder(s) during the course of evaluation of the Application cum Bid, after opening of bid, till final decision is conveyed to the successful bidder(s). However, the Committee/its authorized representative and officer of PNGRB can make any enquiry/seek clarification from the bidders, which the bidders must furnish within the stipulated time else bid of such defaulting bidders will be rejected.
- 20.2.8 Bidder with the highest composite score shall be declared as successful in the bid.

21.0 Cost of Bidding

- 21.1 The bidder shall bear all costs associated with the preparation, submission of the bid and travel etc. PNGRB will in no case, be responsible or liable for any costs, regardless of the outcome of the bidding process. PROFORMA FOR PERFORMANCE BANK GUARANTEE

To

Secretary,
Petroleum and Natural Gas Regulatory Board,
Tower E, 4th Floor (E-400), NBCC World Trade Centre,
Nauroji Nagar,
New Delhi – 110 029

In consideration of the Petroleum and Natural Gas Regulatory Board (hereinafter referred to as 'PNGRB') having agreed to grant authorization to M/s _____ of _____ (hereinafter called 'the authorized entity') to lay, built, operate, or expand Petroleum and Petroleum Products Pipeline (hereinafter called 'the service') as per Letter of Authorization No. _____ dated _____ (hereinafter called 'the said Authorization') on the terms and conditions contained in the said Authorization, which inter-alia provides for production of a Bank Guarantee to the extent of Rs. _____ (in words _____) for the service by way of security for the due observance and performance of the terms and conditions of the said Authorization. We _____ (indicate the name and address and other particulars of the Bank) (hereinafter referred to as 'the Bank') at the request of the Authorized Entity hereby irrevocably and unconditionally guarantee to PNGRB that the Authorized Entity shall render all necessary and efficient services which may be required to be rendered by the Authorized Entity in connection with and / or for the performance of the said Authorized Entity and further guarantees that the service which shall be provided by the Authorized Entity under the said Authorization, shall be actually performed in accordance with the terms & conditions of the Authorization to the satisfaction of PNGRB.

2. We, the Bank, hereby undertake to pay PNGRB an amount not exceeding Rs. (Rupees.....only) against any breach with respect to timely commissioning of the proposed Petroleum and Petroleum Products Pipeline as per prescribed targets and also meeting service obligations by the authorized entity during the operating phase of the project, including failure to extend the validity of this guarantee or to give a fresh guarantee in lieu of the existing one. The PBG is valid for a period of three years initially, which shall be extended up to the economic life of the project in a block of minimum three years at the request of bidder or PNGRB.
This guarantee is valid until the _____ day of _____ 20.... and is payable at New Delhi.
3. We, the Bank hereby, in pursuance of the terms of the said Authorization, absolutely, irrevocably and unconditionally guarantee as primary obligor and not merely as surety the payment of an amount of Rs. _____ (Rupees _____ only) to PNGRB to secure due and faithful performance by the Authorized Entity of all his/their obligations under the said Authorization.

4. We, the Bank, hereby agree that the decision of PNGRB as to whether the Authorized Entity has failed to or neglected to perform or discharge his duties and obligations under the said authorization and / or whether the service is free from deficiencies and defects and is in accordance with or not of the terms & conditions of the said Authorization and as to the amount payable to PNGRB by the Bank hereunder shall be final and binding on the Bank.
5. WE, THE BANK, DO HEREBY DECLARE AND AGREE that:
 - (a) the Guarantee herein contained shall remain in full force and effect for economic life of the Petroleum and Petroleum Products Pipeline project as specified in PNGRB regulations.
 - (b) the PNGRB shall have the fullest liberty without our consent and without affecting in any manner our obligations hereunder to vary any of the terms and conditions of the said Authorization or to extend time of performance of any obligations by the said Authorization from time to time or to postpone for any time or from time to time any of the powers exercisable by the PNGRB against the said Authorized Entity and to forbear or to enforce any of the terms and conditions relating to the said Authorization and we shall not be relieved from our liability by reason of any variation or extension being granted to the said Authorized Entity or forbearance act or omission on the part of PNGRB or any indulgence by the Board to the said Authorized Entity or to give such matter or thing whatsoever which under the law relating to sureties would but for this provision, have effect of so relieving us.
 - (c) any claim which we have against the Authorized Entity shall be subject and subordinate to the prior payment and performance in full of all the obligations of us hereunder and we will not without prior written consent of PNGRB exercise any legal right or remedy of any kind in respect of any such payment or performance so long as the obligations of us hereunder remains owing and outstanding.
 - (d) This Guarantee shall be irrevocable and the obligations of us herein shall not be conditional of any prior notice by us or by the Authorized Entity.
6. We the BANK undertake not to revoke this Guarantee during its currency except with the previous consent of PNGRB in writing.
7. In the event of Authorized Entity being duly relieved of its obligations by the PNGRB for any reason whatsoever, the liability of the Bank under this Performance Bank Guarantee shall be discharged absolutely
8. Notwithstanding anything contained above, our liability, under the Guarantee shall be restricted to Rs..... and our Guarantee shall remain in force until.... year from the date hereof. Unless a demand or claim under this Guarantee is made on us in writing within this date i.e. all your rights under the Guarantee shall be forfeited and we shall be released and discharged from all liabilities there under.
