PRESS RELEASE

PNGRB and API sign Memorandum of Understanding to Strengthen Collaboration in Energy Sector

New Delhi, February 10, 2025: The Petroleum and Natural Gas Regulatory Board (PNGRB) of India and the American Petroleum Institute (API) have signed a Memorandum of Understanding (MoU) on 10th of February 2025 to foster collaboration in the Oil & Gas Sector. The agreement aims to strengthen cooperation in regulatory best practices, safety standards, and technological advancements to enhance the efficiency and sustainability of the oil and gas industry.

The MoU was signed in the presence of senior officials from both organizations, marking a significant milestone in international cooperation for PNGRB. Speaking on the occasion, **Anjan Kumar Mishra, Secretary, PNGRB** emphasized the importance of international collaboration in fostering a robust regulatory environment and facilitating the adoption of global best practices, ensuring the highest standards in safety in the sector. **Anchal Liddar, Senior Vice President (GIS), API** highlighted the mutual benefits of this partnership and expressed their commitment to working with PNGRB to support innovation and regulatory excellence.

Through this MOU, PNGRB and API reaffirm their commitment to facilitate capacity building, knowledge-sharing, and organise joint initiatives to promote industry best practices in line with global standards. The partnership is expected to pave the way for improved regulatory frameworks that align with international benchmarks, benefiting stakeholders across the energy value chain.
