December 26, 2025

Dear Anil,

GIDM, in collaboration with PNGRB, has so far successfully conducted two three-day Capacity Building Programs in November 2025 under our ongoing MoU. The **Emergency Response and Disaster Management Plan (ERDMP)** program was held **from 11–13 November with 31 participants** from PSUs, refineries, oil and gas companies, and CGD entities. The **Safe Road Transportation of Hazardous Goods** program followed **from 26–28 November, attended by 39 officers** from diverse organizations in the oil and gas sector.

We sincerely acknowledge the continued support and guidance of PNGRB, which was instrumental in the success of these programs. Looking ahead, the **second batch of ERDMP** is scheduled for **6–8 January 2026**, and the **next Safe Road Transportation program** from **29–31 January 2026**.

These initiatives contribute significantly to building a safer, more resilient and well-prepared oil and gas ecosystem.

With warm regards,

Yours Sincerely,

Dr Rajiv Kumar Gupta IAS (Retd.)
