PUBLIC NOTICE

Subject: Extension of temporary suspension of levy of Imbalance Charges under Regulation 13 of the PNGRB (Access Code for Common Carrier or Contract Carrier Natural Gas Pipelines) Regulations, 2008

In view of the continuing geopolitical situation and the consequential uncertainties affecting energy supplies, LNG availability, logistics, scheduling and market conditions, the Board has approved further extension of the waiver / temporary suspension of imbalance charges applicable to entities / shippers / consumers under Regulation 13 of the PNGRB (Access Code for Common Carrier or Contract Carrier Natural Gas Pipelines) Regulations, 2008, for a further period of three months, i.e. from 01.11.2026 to 31.01.2027.

This extension is being allowed as a temporary regulatory relief measure in view of the extraordinary circumstances arising out of the prevailing geopolitical developments, which continue to have implications for supply conditions and operational balancing in the natural gas sector. The extension is also intended to provide a reasonable transition period for stabilisation of supply and operational conditions, till further consideration of measures for rationalisation of imbalance.

This Public Notice shall come into force with effect from 01.11.2026 and shall remain valid till 31.01.2027, or until further orders, whichever is earlier.
